**** Levies = Books & Stationery + Technology Hire & Maintenance**

The Levies include **ALL** costs associated with stationery, books, photocopying, technology including individual iPads, art and craft materials and other costs involved in teaching and learning programs.

At Sacred Heart School we are aware that families have a range of financial needs. If you are in need of fee assistance, please arrange to talk to Kasie Jarvis or Justine Goonan.

Many families find that regular direct debit is the simplest way to manage payments in small achievable amounts. A Direct Debit form can be obtained by contacting the school office on 6076 1138 or email kjarvis@shcorryong.catholic.edu.au . If direct credit is your preferred option, please ensure you include your name in the transfer details so that we can match your payment with your invoice.
